- Trophies will be awarded to the top 3 competitors with the highest overall score in each category. These trophies will be presented at the Annual Award Ceremony.
- Athletes must have participated and at least 2 above races to be eligible for the award. The award will only count for the best 2 races. If two of the above races are cancelled for whatever reason, there will not be an award for the 2017 Aquathon Series.
- Score for the winner of first 2 races will be 100% and the last race will be will be 130%.
- Score for other participants who finished in that race will be $(n-x)$ divided by 'n' times 100% or 130%; with 'n' being the total number of finishers in that race and 'x' being the position of that participant minus one.
- The overall ranking in each category will be determined by adding the scores obtained from 3 races, with the winner being the one with the highest total score. If the same score of the winner and will be determined by adding the finish times from each race.
